

Alenda Golf course "Perfection" is suitable for everyone: for beginners and players with some experience of golf.

Benefits of getting your golf handicap.

Since you will not be the only player on the field, it is important to play at a fast pace. Not to mention the safety aspects. That is why it is important to have mastered the basic techniques and know the rules and etiquette.

Programme:

Within a week, you will learn all the basic techniques such as swing, chipping and putting.

The game rules and etiquette are taught well.

You receive three hours of classes a day for five days.

| Precios   |           |           |           |
